

DHA BOOST

ENHANCE SKIN with DHA Boost! Give clients a deeper, darker tan. DHA combined with Erythrulose helps develop a longer-lasting tan and increases moisturization for optimal tanning results.

Norvell Item No: 403179

Gluten Free · Paraben Free · Cruelty Free · 100% Vegan · Non-Comedogenic · Nut Allergy Free

HOW TO USE:

Add 1 dropper full of DHA Boost to any Norvell spray tan solution to increase tan 1–2 levels.
