

1

Undress to comfort level and remove all jewellery

Apply hair net
Leave ears and hairline exposed

Apply barrier cream to feet and hands, including fingernails

Apply Sticky feet to undersoles of feet

2

Ultra Pro Perfector

Wave your hand in front of the green light to start. Audio instructions will walk you through 2 positions to apply the Ultra Pro Perfector.

**Please note this is applied BEFORE your spray tan to increase the longevity of your tan.*

3

VersaSpa Pro Spray Tan Instructions

After the Ultra Pro Perfector has been applied, another set of audio instructions will walk you through 4 additional positions whilst applying your selected VersaSpa Pro Spray Tan.

**Follow the position instructions carefully to ensure an even tan*

4

WELLFIT Skincare Treatment

If you have chosen to include a WELLFIT Skincare Treatment after your spray tan, remain in the booth and audio instructions will guide you through another 2 positions.

**Please note that WELLFIT can be applied directly AFTER your spray tan or as stand alone skincare treatments*

5

Post Spray Tan

- Gently remove barrier cream from hands and feet
- Rinse off in tepid water after 1-3hrs or 6-8hrs. The salon will advise you on which time frame to adhere to based on what tan was applied during your session.
- Do not exfoliate, scrub or use harsh soaps. Pat your skin dry and moisturise thoroughly
